Somebody else's workplace can be a dangerous place
Safety for Delivery Drivers

Fees

This course consists of 2 units of learning. The advertised price of £50 per unit per learner will be reduced by 10% for SAIF members with a further reduction for Friends of the IFD College.

Please speak to our College Chairman, Alun Tucker if you would like to arrange in-house training for your staff. Please see below assessment & registration fees.

All handouts and booklets are included in the training fees.

Assessment

At the end of the workshop all learners will take a short multiple choice test.

For those learners who wish to achieve **OCN Certification** additional coursework and a portfolio of evidence must be completed which will be assessed and verified by IFD staff and externally verified by Open College Network moderators. The cost of assessment, registration and Certification by OCN is currently £25

A certificate of attendance will be issued to those who do not wish to undertake assessment.
